

C. Smith Photography

Portraits by Darrell and Rosemarie

Greetings friends, old and new, fall is here.

For the last 26 years, we have been photographing your weddings, babies, school pictures, and senior portraits. Now, yesterday's children are using *C. Smith Photography* for family portraits!

We are excited about the coming year. Our grandkids are growing up! Joseph is 6 now; Kendra is 4; Aaron is 2; and baby Ryan isn't a baby anymore. Of course the girls are doing well.

Finally, we have a new pond as well as many new props. Take a look at these great monthly specials:
